## The PWSA Victoria Time Out Camp

is designed to encourage those living with PWS and their families to develop friendships, build resilience and self-confidence all while gaining an understanding of PWS through education and support programs for Parents and Siblings (Carers) provided by professionals.

Our main focus is to encourage inclusion for all, by providing a range of activities and sessions.

So, no matter how young or old you are, there will be something for everyone to participate in and something to be gained by all who attend.
